Dear Prospective Chamber Member:

This is an invitation to join the Bellmead Chamber of Commerce. Since you are not now a member, you need a good reason to join. Here are three reasons why it is in your interest to join;

CONNECTIVITY – The Chamber connects you to the business community, civic leaders, and the great Waco economic climate. Through access to training, information and networking, the Chamber provides you with a way to connect to resources you need while minimizing the investment of time and money to access those resources.

IMAGE ENHANCEMENT– Membership shows your customers that you stand shoulder to shoulder with other business people, civic leaders and community institutions to drive economic development and enhance the quality of life here in Bellmead.

REVENUE GROWTH– As the economic base of the community grows, your economic opportunity expands. In addition, membership leads to referrals from other members, thus more business for you.

The community benefits from your membership, and the Chamber of Commerce grows in strength with each new member. The Bellmead Chamber is committed to the business community of Bellmead, and your commitment to the Chamber is affordable yet vital. Enclosed is an application and a schedule of annual dues. Please fill out and return with your check.

The Bellmead Chamber hosts several projects throughout the year. We have an annual membership banquet, an annual golf tournament, and membership luncheons once a month for all members. We also publish an electronic monthly newsletter which we invite you to advertise your business for a very nominal rate.
